WASHINGTON, DC

ORDER NO. 9549

IN THE MATTER OF:

Served May 11, 2006

QUIANA TOURS, INC., Suspension and)
Investigation of Revocation of)
Certificate No. 290)

Case No. MP-2006-032

Commission Regulation No. 58 requires respondent to insure the revenue vehicles operated under Certificate No. 290 for a minimum of \$5 million in combined-single-limit liability coverage and maintain on file with the Commission at all times proof of coverage in the form of a WMATC Certificate of Insurance and Policy Endorsement (WMATC Insurance Endorsement) for each policy comprising the minimum.

The \$5 million primary WMATC Insurance Endorsement on file for respondent terminated on March 2, 2006, without replacement. As a result, Certificate No. 290 was automatically suspended under Regulation No. 58-02, and respondent owed a \$50 late under Regulation No. 67-03. In addition, respondent had neither filed its annual report for 2005/2006 nor paid its \$150 annual fee for 2006, which were both due January 31, 2006, pursuant to Regulation Nos. 60-01 and 67-02. This triggered \$200 in late fees under Regulation No. 67-03, as well.

Accordingly, Order No. 9361, served March 2, 2006, gave respondent thirty days to file the necessary WMATC Insurance Endorsement(s), submit an annual report for 2005/2006, and pay the sum of \$400, or show cause why Certificate No. 290 should not be revoked.

Certificate No. 290 was later revoked in a separate proceeding on March 16, 2006, pursuant to Order No. 9397, for respondent's willful failure to file an annual report for 2004 and pay a \$100 civil forfeiture as directed by Order No. 9085, served November 1, 2005.

Respondent has since filed the necessary insurance endorsement and reports and paid the requisite fees. Consequently, Certificate No. 290 has been reinstated this date pursuant to Order No. 9548, and the suspension noted in Order No. 9361 is hereby lifted.

IT IS SO ORDERED.
